with

April 2017**

Dear SBA Families,

As we welcome Spring to the Pacific Northwest, we will be exploring stories that celebrate our unique selves, how we grow into our perfect self, and that perfect self doesn't mean we need to be perfect.

Every week is truly a new adventure in Storybook Adventure, and April will be no different! We hope everyone has a fantastic Spring Break and we'll see you all back the 2nd week in April for lots more fun and learning.

Sincerely,

Jan Fenelon
