

3's Class
May 2017

Another busy month is upon us. I am hopeful that all those April showers will end and some sunshine and flowers will appear.

We are still putting on boots for recess and I appreciate all the rain boots. Lately, however, I think they have been more like mud boots. It is very helpful that the children can play outside and explore, get muddy, and then change into shoes so our classroom stays clean.

We will have a very special Mother's Day Tea on May 12th. The kids will have a great time making a present and decorating the tables for the special day. It is a wonderful time for Moms and their child to spend some time together. If you can find childcare for siblings, it can make the time even more special for your child.

I am looking forward to spending some time talking about fireflies and ladybugs this month. We will also go on a hunt for Corduroy's missing button and practice how to button and unbutton.

We will be closed on Monday, May 29th for Memorial Day. I am sure it will be sunny and hot. 🤞🌞🤞
