

3+ Classroom Notes December 2017

December is a busy and exciting month in the 3+ classroom. We will be making Christmas gifts for our families and several ornaments for our classroom tree, which I hope will also be treasured additions to your family trees for years to come!

After using our sense of smell to enjoy some of the scents of Christmas at the end of November, we will use our senses of sight and hearing as we continue to experience the holiday season. Then we will have a very special visitor to our classroom... Santa will come to see us on the 7th! And we will mix up a batch of reindeer food to sprinkle on your lawn for Santa's reindeer.

As always, we will be counting and singing and enjoying many wonderful stories and poems along the way! Throughout the month we will talk about the reason for the season and on the 14th, Peggy Anderson will come in to tell us the story of the first Christmas. Then, at the end of the day, we will celebrate Jesus' birthday. Please join us at 11:55 for birthday cake, and we will sing a couple of songs for you before we go home.

We wish you all a blessed and wonderful Christmas with your families and friends. And a Happy New Year, too! See you back in the classroom on Tuesday, January 2nd...
