

3+ Classroom Notes January 2018

Happy New Year to all!! And welcome back to preschool! Ms. Lindy and I are excited to be back! As usual, we will be busy learning and having fun in our classroom throughout the month of January.

We will start out the month making beautiful snowflakes out of our handprints. And we will also make snowmen out of 'snow dough!'

Next, we'll talk about community helpers. We'll turn part of our classroom into a grocery store and then an ice cream parlor. We will also each draw a picture and then mail it to ourselves!

Later in the month, we'll have lots of fun acting out and singing old nursery rhymes and testing just what it takes to break (a hardboiled) Humpty Dumpty! And finally, we will read the book "Silly Sally," and then we will make our own classroom book called "Silly 3+ Class!"

As always, we will be counting and singing and enjoying many wonderful stories and poems along the way!

Looking ahead to important dates in February: Parent/Teacher conferences will be on Thursday, February 1st. Look for a sign-up sheet for conference times to be posted later in January. Also, Attention: All Dads! Please be sure to mark Dad's Night, Thursday, February 8th at 6:30pm, on your calendar. Dad gets a chance to come to preschool (with your child 😊) for an hour of fun!

Thanks. See you in the classroom...
