

Fabulous 4's Class January News

Happy New Year!

Welcome back to school! I hope you had a wonderful break filled with many blessings. The past couple of months we have been working with the kids on developing their self-help and problem-solving skills. I am happy to report that all Fabulous Fours have an amazing amount of preschool power! Coats and shoes are put on independently, lunchbox contents are self maintained, and we are working to gain a better understanding of helping our friends and maintaining impulse control. This month we will be working with the children on self-regulation and also working independently within a group, along with our regular curriculum of early literacy, math, science, and motor skills. All of our activities are wrapped up in the form of play and discovery to keep the magic of learning fresh and wonderful.

Important notes:

Sharing: Kid's share dates are the same every week (please check the calendar if you need reminders). The letter of the week share is great fun for all of us, and a highlight of the day. We have a couple of students that need some help in picking out their share. Please make sure the item coordinates with the letter of the week and fits easily into their school bag.

Toys from home: Toys (non-share) are coming to school in pockets and bags. Please have your child leave these items at home or in the car.

Play dough Makers: Katie and Connor

Pajama Day: Wear your Pajamas to school Thursday 1/18!

Conferences: Thursday, 2/1

Field Trip: Kirkland Performing Arts Center/Public Bus 2/8

Sincerely,

Lynn Liedle
