January 2018**

Happy New Year, SBA Families,

We hope you all had a wonderful Christmas break! Our stories for this month are chockfull of wonder and make-believe. We can't wait to jump into them with the children.

An admin note for the class: More and more of the kids have been bringing toys and little "what-nots" from home into school. Please help us reinforce the No toys from home policy, preferably leaving all items in the car verses the cubbies, as we have the children getting in and out of their cubbies during the morning. Thank you for your support on this!

See you all back at Storybook Adventure on January 3rd.

Sincerely,

Jan Fenelon
